MondayCall's Rapid Deploy for Partner Relationship Management (PRM) is designed to get you up and running and delivering value quickly. The goal of the Rapid Deploy engagement is a successful quick launch that delivers:

- stand up an effective, working system
- can be delivered 100% remotely
- architected for growth
- partner portal with Salesforce Content resource center
- custom URL setup and standard branding
- deal registration and lead routing
- market development fund (MDF) management
- partner support case management
- roadmap for ongoing improvements
- A clear roadmap for future growth

Designed for a successful Phase I launch, the Rapid Deploy creates the initial launch that you can build on for continued future growth.
